5-YEAR PLAN UPDATE PHA FISCAL YEARS 2005 - 2009

[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- ☐ The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- ☒ We, the employees of Miami-Dade Housing Agency, through our collective efforts to positively enhance and better serve this community with integrity, care, high ethical standards, and competence, are committed to provide to low, very low, extremely low and moderate-income residents of Miami-Dade County:
- Quality affordable housing opportunities.
 - Neighborhood revitalization and stabilization activities.
 - Partnerships with private and public entities to optimize resources through innovative programs.
 - Efficient and effective management of resources.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- ☒ PHA Goal: Expand the supply of assisted housing
Objectives:
- ☒ Apply for additional rental vouchers
- ☒ Reduce public housing vacancies: Achieve and maintain 95% or greater occupancy levels
- ☒ Leverage private or other public funds to create additional housing opportunities: Access leveraged funding sources of Hope VI Scott/Carver re-development and Smathers Plaza Assisted Living Facility Development.
- ☒ Acquire or build units or developments: Build the Smathers Plaza Assisted Living Facility.
- ☒ Other (list below)

- Continue to apply for funding opportunities that may become available to create additional housing opportunities.
- Open the waiting lists at least every three years, as mandated by the Adker Consent Decree. The waiting lists were opened during a two-week application period held April 18-29, 2005.
- Upon Board of County Commission approval, MDHA will participate in the USHUD's Capital Fund Financing Program (CFFP), a capital bond program. This is another mechanism to preserve affordable housing in Miami-Dade County. About \$42 million, or 26 percent, of MDHA's annual USHUD Capital Fund Grant, will be used for comprehensive modernization, Air conditioning (A/C), electrical, and other upgrades, physical improvements, and other repairs and related activities in MDHA's public housing developments. MDHA anticipates completing its Service Center in late 2007 to early 2008, physical improvement activities in the fall of 2008, and modernization, A/C, electrical and exterior/elevator activities in the fall of 2009. The proposed financing structure uses approximately \$3.9 million per year over 15 years to repay the capital bond. For the remaining term of the bonds, ten to eleven years, MDHA anticipates being able to maintain its high level of maintenance and scheduled modernization as long as historic levels of capital funding continued to accrue to the agency on an annual basis. In addition to the CFFP projects, MDHA will use about \$170 million in Miami-Dade County-derived funds (\$170 million of General Obligation Bond (GOB) funds) to preserve and expand affordable housing in the county. These funds are not available for public housing modernization activities, but future plans include building mixed use housing on vacant land where public housing currently is located.

- ☒ PHA Goal: Improve the quality of assisted housing
Objectives:
- ☒ Improve public housing management: Expand the applicability of the Employee Demonstration of Growth and Efficiency Program (EDGE) to all units, due to voluntary cancellation and removal of private management company, by encouraging employees' efficiency and upper mobility through training and certification.
- ☒ Continue to improve voucher management: formation of the Section 8 Performance Team.
- ☒ Increase customer satisfaction: Provide improved communication with management and referral services to residents.
- ☒ Concentrate on efforts to improve specific management functions: Deliver timely and quality maintenance services to public housing residents; achieve and maintain 95% or greater of rent collections for the public housing program. Maintain preventive maintenance efforts.

- ☒ Maintain anti-fraud program to ensure agency's integrity, and maintain audit function to ensure compliance with USHUD and MDHA regulations and procedures.
- ☒ Renovate or modernize public housing units: Implement Capital Fund Action Plan. Continue the installation of air conditioners in public housing family and elderly units.
- ☒ 110 units planned for disposition: Opa-locka Family (26), Elizabeth Virrick I & II (84), Smathers Plaza (land only), Scott Homes (land only), and Carver Homes (land only).
- ☒ Other: (list below)
 - Demolish the remaining 312 dwelling units of the original 850 obsolete public housing at Scott Homes and Carver Homes, dispose of 251 platted, buildable lots which will be dedicated to affordable homeownership.
 - Dispose of eight existing dwelling units of Carver Scattered Sites which are also to be dedicated to affordable homeownership.
 - Provide replacement housing, in and around the Scott/Carver community, consisting of 160 new public housing units and 251 new affordable homeownership units on-site; and 8 rehabilitated, affordable homeownership units off-site. Financing to be comprised of Low-Income Housing Tax Credits, HOPE VI grant funds, Replacement Housing Factor funds, and local surtax funding. The land for the 160 public housing units will be leased by Miami-Dade County to Scott Carver Homes, LTD, a Florida limited partnership, which has been created to issue and sell the Low-Income Housing Tax Credits. The general partner of the partnership will be MDSC Homes Inc., a non-profit organization, totally owned and controlled by Miami-Dade County.
 - Additionally, received from USHUD 711 Section 8 vouchers for replacement housing for the Scott/Carver HOPE VI program.
 - Comply with ADA, Fair Housing, Section 504 of the Rehabilitation Act, and the Voluntary Compliance Agreement (VCA) with USHUD, including but not limited to, a needs assessment, an assessment of the current public housing stock, and modification of units, buildings and public areas to make them accessible. MDHA is now preparing the request for qualifications to select a consultant qualified on the Uniform Federal Accessibility Standards (UFAS)
 - Accepted and approved applications to provide project-based housing assistance to no more than 25% of the development's units under the Section 8 project-based voucher program. MDHA has entered into a Housing Assistance Payment (HAP) contract to subsidize 50 units under the Project-based Voucher Program. Additional units may be placed under HAP contract contingent on availability of vouchers.
- ☒ PHA Goal: Increase assisted housing choices
Objectives:

- ☒ Provide voucher mobility counseling: As required by the Adker Consent Decree approved by the U.S. District Court, Southern District of Florida on October 28, 1998.
- ☒ Conduct outreach efforts to potential voucher landlords: Attract new participation of owners in the Section 8 program in cooperation with the Fair Housing Center (HOPE, Inc.), as required by the Adker Consent Decree, and in cooperation with the National Housing Group, Inc., as part of the HOPE VI Scott/Carver Homes Revitalization Program.

 - The drug and crime activities elimination programs contingent on alternative funding availability and partnerships; and
 - Increase the number of residents participating in the elimination of drug and crime activity programs within Public Housing sites.
- ☒ Designate developments or buildings for particular resident groups (elderly, persons with disabilities):

ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary

The Quality Housing and Work Responsibility Act (QHWRA) passed on October 21, 1998, is the single most revolutionary piece of legislation since the U.S. Housing Act of 1937. The statute and its resulting regulations promulgated by the U.S. Department of Housing and Urban Development (USHUD) require each housing authority (HA) to submit an Annual Plan and a five (5) year management plan. The regulations, however, allowed the HA great latitude in the management styles they could choose to implement their plans.

Miami-Dade Housing Agency (MDHA) views the Annual Plan as an opportunity to show that the housing agency's dedicated and enthusiastic staff, together with the support of the parties involved, can and will achieve the goals and objectives that have been set during this planning process.

This year's Annual Plan covers the period October 1, 2006 through September 30, 2007. The planning process incorporates the input of MDHA divisional staff, Resident Advisory Board, public and assisted housing program participants, and business partners.

The highlights of our plan include the following:

- ♦ Consistent output of quality services through the competitive management styles of contract management companies and MDHA staff in the Employee

- Demonstration of Growth and Efficiency (EDGE) program and the Section 8 Performance Team Program.
- ♦ Expansion of housing choices to applicants and program participants through:
 - Promotion of full occupancy of Helen Sawyer and Ward Towers Assisted Living Facilities (ALF);
 - The HOPE VI redevelopment of Scott Homes and Carver Homes sites;
 - The expansion of homeownership units that will be made available through the Scott/Carver HOPE VI redevelopment;
 - Planning and designing development of an ALF facility at Smathers Plaza vacant land; and
 - The various homeownership programs offered through the Development and Loan Administration and the New Markets divisions, such as the Surtax, SHIP, HOME, and Infill programs.
 - ♦ Addressing fair housing issues through the continued maintenance of the Adker Consent Decree and monitoring of the Section 504, ADA, Fair Housing Act, and other applicable accessibility requirements in public housing new construction, existing public housing developments, and other MDHA assisted housing programs.
 - ♦ Improvement in the economic and social opportunities available to public and assisted program participants by means of new partnerships developed between MDHA and public/private entities, and continued assistance under the Welfare-to-Work Housing Voucher and Family Unification programs..
 - ♦ Administering programs, including the Section 8 Moderate Rehabilitation Single Room Occupancy, Shelter Plus Care, Veterans Assisted Supporting Housing, Mainstream, and Rental Assistance in Support of Designated Housing Plans, Access 2000. These programs are targeted for populations with special needs, such as disabled homeless individuals with mental illness, substance abuse and/or HIV/AIDS, homeless veterans with severe psychiatric or substance abuse disorders, and disabled and non-elderly disabled persons.
 - ♦ Accepted and approved applications for existing housing developments to provide project-based housing assistance to no more than 25% of the development's units for project-based voucher program, upon availability of vouchers. MDHA has entered into a contract to assist 50 units under the Project-based Voucher Program.
 - ♦ Continue to develop and implement the Section 8 Homeownership program.
 - ♦ Complete the USHUD submission requirements to designate 1,815 mixed occupancy public housing units for occupancy by elderly families only and include the new 100-unit Ward Tower ALF for elderly only in the revised Designation Plan submitted to USHUD.
 - ♦ Implement Section 504, ADA, Fair Housing Act and applicable accessibility modifications for persons with disabilities to MDHA's existing housing units, administrative offices, non-housing programs and revised Admissions and Continued Occupancy Policy, in accordance with the milestones and objectives established in the Voluntary Compliance Agreement (VCA) between MDHA and USHUD.
 - ♦ Provide training to MDHA staff on Section 504/ADA requirements and Reasonable Accommodation Policies, as they are implemented.

- ♦ MDHA may make discretionary policy revisions allowed by regulations to its Section 8 program to cover any shortfall in federal funding , including but not limited to, limiting moves, increasing minimum rent, reducing payment standards, implementing revised occupancy standards, limiting rent increases to landlords and termination of assistance only where necessary.
- ♦ Continue implementation of USHUD's Enterprise Income Verification (EIV) system in Public Housing and Section 8 programs. The EIV is a computer matching program used to verify the accuracy of income reported by residents and tenants and to determine fraud.
- ♦ Continue implementation of the Voluntary Compliance Agreement (VCA) with USHUD. The VCA requires that MDHA make accessibility modifications to its Public Housing stock and non-housing programs to accommodate persons with disabilities.
- ♦ Continue screening new applicants on the 2005 waiting list for eligibility. The Tenant-based and Project-based waiting lists were opened during a two-week application period held April 18-29, 2005. MDHA received approximately 44,000 applications of which 41,500 were accepted and 3,500 rejected for incomplete information.
- ♦ Participate in USHUD's Capital Fund Financing Program (CFFP), a capital bond program, and Miami-Dade County's General Obligation Bond (GOB) program as described in MDHA's Five-Year Plan to preserve and/or expand affordable housing in Miami-Dade County.
